

From 75€ per night

Charming 1 bedroom, 1 bathroom apartment, perfect for an individual or a couple looking for a cozy and functional space. Upon entering, you are greeted by a bright and welcoming living room, which can serve as a living and dining area. This space is ideal for relaxing, watching television or entertaining friends.

The kitchen, which can be integrated into the living room, is equipped with essential appliances and sufficient storage space. It is a practical place where you can prepare your favorite meals.

The room is a private retreat, with plenty of space and a closet. It is a perfect place to rest and recharge your batteries. The bathroom, although it is the only one, is well designed, offering everything you need for your daily routine.

This apartment has charming details, such as large windows that allow in natural light, and a terrace, ideal for enjoying a morning coffee or relaxing at the end of the day.
