Nice apartment that has 2 bedrooms and 2 bathrooms, located in a complex that offers a refreshing community pool. With a cozy living room that feels bright and spacious, ideal for relaxing or enjoying quality time with friends and family. This space has access to a terrace, perfect for enjoying the views or simply relaxing outdoors.

The kitchen is functional, equipped with appliances and enough storage space. It is an ideal place to prepare your favorite meals and enjoy the cooking experience.

The 2 bedrooms are comfortable and well lit. The master bedroom has its own bathroom, providing privacy and comfort. The second room is versatile and can be used as a guest bedroom or children's room. Both bedrooms have easy access to the second bathroom, which is conveniently located in the hallway.

One of the great advantages of this apartment is the community pool. Imagine enjoying sunny days by the pool, relaxing on a lounge or sharing fun moments with friends and family. The pool is a perfect place to cool off on hot days and enjoy a social atmosphere.

In addition, living in a complex with a communal pool usually offers other common areas, such as gardens, recreation areas and barbecue spaces, creating a pleasant and communal atmosphere. The security and maintenance of common areas are also a great plus, providing peace of mind to residents.

In short, this beautiful apartment with 2/3 bedrooms and 2 bathrooms, with access to a communal pool, is an ideal place to enjoy daily life combining comfort, style and a pleasant environment.
