Casa Margarita is a single storey 3 double bedrooms, 3 bathroom villa, complete with it's own private, secluded pool in the middle of the Cabrera mountains, overlooking a valley, in the beautiful area of Cortijo Grande. The southwest facing villa has three double bedrooms, sleeping up to 6 and three bathrooms, one of which is en-suite to the Master Bedroom. There is a large lounge with breathtaking panoramic views on three sides, and a spacious kitchen/diner. The villa is surrounded by a terrace both back and front. Large French doors lead out to all terraces. The villa has recently been refurnished up to a high standard by its interior designer owners.
