Beautiful apartment in a residential complex, with 2 bedrooms and 2 bathrooms, that combines style and comfort. Upon entering, you are greeted by a bright living room that radiates warmth, perfect for relaxing or enjoying special moments with friends and family. This space has large windows that allow in natural light and a connection to a terrace where you can enjoy a morning coffee or dinner outdoors.

The kitchen is modern and functional, equipped with appliances and enough storage space. It is an ideal place to prepare your favorite dishes and enjoy the cooking experience.

The 2 rooms are cozy and well lit. The master bedroom has its own bathroom, offering a private and comfortable retreat. The second room is versatile and can be used as a guest bedroom or children's/guest room. Both bedrooms have easy access to the second bathroom, which is conveniently located in the hallway, ideal for visitors or daily use.

Living in a complex also brings with it many advantages, such as well-kept common areas, gardens, swimming pools and recreational areas, creating a pleasant and communal atmosphere. In addition, the security and maintenance of common areas is usually a great plus providing peace of mind to residents.
