

3 Bedroom Apartment for Sale in Mojácar

160,000€

Independent house with common access to the different apartments located within the complex.

Great 104.83m² apartment next to "La Fuente" in Mojácar, between the beach and the Town. The apartment consists of 4 bedrooms, 2 bathrooms, living room, kitchen and small terrace.

The size of the apartment is something practically impossible to find in recent constructions, since it has 104.83 m² of surface and 4 bedrooms, so the feeling inside the house is more typical of a house than an apartment.

The apartment is located on the first floor of the complex, a few steps from La Fuente de Mojacar Pueblo and a few minutes from the Beach and the Town, and with the main services and shops that you may need within walking distance.

From its terrace you can see mountain views.

It is a spacious and bright apartment.

The apartment is available for sale through Coastal Properties, a company that has been operating in the real estate market for over 10 years.
